Before You Begin

Gather your information

Having everything you'll need in hand before you start your application means you won't be searching for important information at the last minute. Make sure the information you provide is accurate because you may be asked to verify it at a later time.

Research your options

There may be different degree programs at several UC campuses that can help you achieve your career goal; knowing what they are will give you more options when you apply. Check which majors are open for the current term at <http://admission.universityofcalifornia.edu/how-to-apply/check-majors>.

Apply broadly

Applying to more than one UC can significantly increase your chances of being admitted to a campus that will enable you to fulfill your educational goals. We recommend applying to campuses that vary in their admit rates.

Pick an email address and stick with it

Campuses email applicants to request or clarify information; they often need a quick response. Provide an email address that you will check regularly. Update your spam filters to ensure that you receive all UC communications.

Apply at www.universityofcalifornia.edu/apply

Follow directions. Answers to common questions appear on every page and under the "help" tab. If you can't find an answer, contact the UC Application Center at ucinfo@applyUCsupport.net, or call (310) 513-2715 (outside the U.S.) or (800) 207-1710 (toll free in the U.S.).

Save your work. If you take a break from your application, sign out or click "Next" on any page to make sure your work is saved.

Review your summary. Look for any instance where the summary page says "not started" or "in progress." If you didn't intend to leave a question blank, click "Edit" to go back and answer it.

Don't forget to click "Submit your application for UC admission." Your application won't be sent to UC until you do. After submission, you will be taken to the receipt page, which shows your application ID. It's a good idea to print this page.

Write your responses to the personal insight questions in advance

Think of the personal insight questions as your chance to tell us who you are and what's important to you. What you tell us in your responses gives us the context to better understand the rest of the information you've provided in your application. Be open, be honest, be yourself.

Instructions:

- You will have 8 questions to choose from. You must respond to only 4 of the 8 questions.
- Each response is limited to a maximum of 350 words.
- Which questions you choose to answer is entirely up to you.

Questions:

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
6. Describe your favorite academic subject and explain how it has influenced you.
7. What have you done to make your school or your community a better place?
8. What is the one thing that you think sets you apart from other candidates applying to the University of California?

Checklist

Academic records

You'll need to enter courses and marks/grades from all schools you have attended, including any colleges/universities where you have taken courses. Don't enter information from memory; misreporting your academic record can jeopardize your admission. If you took advanced math and/or a language other than your primary language of instruction in middle school, you must report how many semesters you completed.

Test scores

These include your ACT with Writing and/or SAT (SAT Reasoning or SAT with Essay) scores and any Advanced Placement, International Baccalaureate, A-Level, TOEFL or IELTS exam scores. Know the test dates for upcoming exams you plan to take. Report external examination scores received and predicted scores (example, O- and A-levels) in the International External Exam section.

Estimated household income (optional)

If you receive financial support from parents or legal guardians, ask them for their estimated total household income in U.S. dollars.

Citizenship status

You must provide your country of citizenship (or "No Selection"), your immigration status and the type of visa (e.g., F-1) you hold or plan to hold.

Credit card

You'll need the account number, expiration date, cardholder's name and billing address.

3

After You Submit

Print your receipt

You'll want to keep a record of your application ID number and a summary of your application for reference.

Watch for your application submission confirmation

As soon as you submit your application, you'll receive an email confirming it has been successfully filed. If you do not receive this email, check your spam filter or contact the UC Application Center at ucinfo@applyUCsupport.net, or (310) 513-2715 (outside the U.S.) or (800) 207-1710 (toll free in the U.S.).

Order test score reports

Be sure to have the appropriate testing agency send your official results from the ACT, SAT, TOEFL/IELTS or SAT Subject tests (optional) to UC. If you have a report sent to one UC campus, it will be shared with all the campuses to which you apply. You can confirm receipt of your test scores by logging back in to your application.

If you are admitted for the fall term, you must arrange to have official AP and IB exam scores sent to the campus admissions office no later than July 15.

Order final academic records

In the United States, the academic record is called a "transcript." It may be called by another name, such as a leaving certificate, maturity certificate, bachillerato or baccalauréat in your country.

If you are admitted for the fall term, you must arrange to have final, official transcripts sent to the campus admissions office no later than July 1.

Note: Before admittance, you do not need to send preliminary transcripts unless requested by a campus.

Financial assistance

UC campuses have limited funds to provide scholarships for undergraduate international students, although the size of awards, if any, and the scholarship eligibility requirements vary by campus and by year.

Making Changes to Your Application

If you want to apply to an additional UC campus

Log in to your UC application at www.universityofcalifornia.edu/afterapply. You may add a campus only if it is still accepting applications.

If you change your phone number, email or mailing address

Information on how to update can be found at: www.universityofcalifornia.edu/afterapply.

If your academic record changes

If you add or drop a course or earn a low mark in a course, you must send in your changes by email to change docs@applyUCsupport.net or by mail to UC Application Center, P.O. Box 1432, Bakersfield, CA 93302, USA. Make sure to include your full name, date of birth and application ID.

If you enroll in a new school or university after applying

Notify the UC Application Center (email or address above) and provide the institution's name and the courses you are taking or plan to take.
