## Before You Begin

---

### Gather your information

Having everything you'll need in hand before you start your application means you won't be searching for important information at the last minute. Make sure the information you provide is accurate because you may be asked to verify it at a later time.

---

### Research your options

There may be different degree programs at several UC campuses that can help you achieve your career goal; knowing what they are will give you more options when you apply. Check which majors are open for the current term at <http://admission.universityofcalifornia.edu/how-to-apply/check-majors>

### Apply broadly

Applying to more than one UC can significantly increase your chances of being admitted to a campus that will enable you to fulfill your educational goals. We recommend applying to campuses that vary in their admit rates (visit <http://admission.universityofcalifornia.edu/campuses> for the most recent California admit rates).

---

### Pick an email address and stick with it

Campuses email applicants to request or clarify information; they often need a quick response. Provide an email address that you will check regularly. Update your spam filters to ensure that you receive all UC communications.

---

### Apply at [www.universityofcalifornia.edu/apply](http://www.universityofcalifornia.edu/apply)

**Follow directions.** Answers to common questions appear on every page and under the "help" tab. If you can't find an answer, contact the UC Application Center at [ucinfo@applyUCsupport.net](mailto:ucinfo@applyUCsupport.net), or call (800) 207-1710 (toll free in the U.S.) or (310) 513-2715 (outside the U.S.).

**Save your work.** If you take a break from your application, sign out or click "Next" on any page to make sure your work is saved.

**Review your summary.** Look for any instance where the summary page says "not started" or "in progress." If you didn't intend to leave a question blank, click "Edit" to go back and answer it.

**Don't forget to click "Submit your application for UC admission."** Your application won't be sent to UC until you do. After submission, you will be taken to the receipt page, which shows your application ID. It's a good idea to print this page.

## Write your responses to the personal insight questions in advance

Think of the personal insight questions as your chance to tell us who you are and what's important to you. Be open, be honest, be yourself.

### Instructions:

- You must answer one required question plus 3 out of 7 additional questions.
- Each response is limited to a maximum of 350 words.
- Which questions you choose to answer is entirely up to you.

### Questions:

**Required question:** Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

Choose to answer any three of the following seven questions:

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
6. What have you done to make your school or your community a better place?
7. What is the one thing that you think sets you apart from other candidates applying to the University of California?

## Pursue all potential scholarships

UC campuses and alumni associations award a variety of scholarships based on a student's academic merit, financial need or both. Visit <http://admission.universityofcalifornia.edu/paying-for-uc> to research deadlines and additional requirements.

There are also "restricted" scholarships available to students with specific backgrounds, academic interests or career goals. You can apply for these scholarships in the admission application by matching your own background characteristics and interests to the lists provided. Most students are notified of scholarship awards between March and August.

### Application fees

**Paying your application fees.** UC's application fee is \$70 per campus (\$80 if you're an international student). You may pay online by credit card or be billed. Application fees are non-refundable.

**Applying for a fee waiver.** UC will waive application fees for up to four campuses for qualified students. If

you're a U.S. citizen, permanent resident, or meet basic criteria for AB 540, you can apply for a fee waiver within the application and find out immediately if you qualify. Fee waivers can't be applied to more than four campuses, regardless of their source (e.g. UC, CCC EOPS).

## Checklist

---

### Transcripts

You'll need to enter courses and grades from **all** colleges you have attended. Don't enter information from memory; misreporting your academic record can jeopardize your admission. If you complete university courses outside of the U.S., you must enter the mark/grade and credit/unit value exactly as they appear on your official academic record.

---

### Test scores

Report any Advanced Placement, International Baccalaureate, A-Level, TOEFL or IELTS exam scores. If you're a sophomore transfer applicant, include your ACT with Writing, and/or SAT (SAT Reasoning or SAT with Essay) and SAT Subject test (optional) scores.

---

### Annual income (optional)

If your parents claim you as a dependent on their tax return, ask them for their annual pre-tax income for 2015 and 2016. Refer to tax records or pay stubs.

For international students: If you receive financial support from parents or legal guardians, ask them for their estimated total household income in U.S. dollars.

---

### Social Security number or Individual Taxpayer Identification Number (if you have one)

We use your Social Security number or ITIN to verify your identity and match your application to your transcripts, test score reports and, if you apply for financial aid, your Free Application for Federal Student Aid (FAFSA) or the California Dream Act application. It will be kept confidential.

---

### Citizenship status

You must provide your country of citizenship (or "No Selection" – this is recommended for undocumented applicants). If you select a country other than the United States, you'll need to provide your legal immigration status and the type of visa (e.g., F-1) you hold or plan to hold.

---

### Credit card

You'll need the account number, expiration date, cardholder's name and billing address. (If you'd prefer to pay by check, you can send your payment by mail. Do not send cash.)

# 3

## After You Submit

---

### Print your receipt

You'll want to keep a record of your application ID number and a summary of your application for reference.

---

### Watch for your application submission confirmation

As soon as you submit your application, you'll receive an email confirming it has been successfully filed. If you do not receive this email, check your spam filter or contact the UC Application Center at [ucinfo@applyUCsupport.net](mailto:ucinfo@applyUCsupport.net), (800) 207-1710 (toll free in the U.S.) or (310) 513-2715 (outside the U.S.).

---

### Update your application

About five weeks after the application filing period ends, you must log in to your application at [www.universityofcalifornia.edu/afterapply](http://www.universityofcalifornia.edu/afterapply) to complete your Transfer Academic Update by providing your grades for the last completed term and update your in-progress and planned coursework.

---

### Order test score reports

If you're a sophomore applicant, be sure to have the relevant testing agency send your official ACT and/or SAT results to UC. If you have a report sent to one UC campus, it will be shared with all campuses to which you apply.

---

### Order final transcripts

If you are admitted for the fall term, you must arrange to have final, official transcripts sent to the campus admissions office no later than July 1.

**Note:** Before admittance, you do not need to send preliminary transcripts unless requested by a campus.

### Applying for Financial Aid

**There's money available** to help you attend UC. If you're a CA resident and your family income is less than \$80,000, the Blue and Gold Opportunity Plan will cover, at a minimum, your systemwide fees if you qualify for financial aid. Your family makes more? You may still be able to get other grants and scholarships. Even if you don't think you'll qualify, apply. It's the only way to be considered for every type of aid possible, including low-interest student and parent loans.

**Apply for aid** between October 1, 2016 and March 2, 2017. Here's how:

#### Submit a FAFSA or California Deam Act

**Application.** The Free Application for Federal Student Aid is available at [www.fafsa.gov](http://www.fafsa.gov). For undocumented students, the California Dream Act Application is available at [www.csac.ca.gov](http://www.csac.ca.gov). You automatically will

be considered for the Blue and Gold Opportunity Plan if you submit the FAFSA or California Dream Act Application, and the Cal Grant GPA Verification Form.

**Submit your GPA for a Cal Grant.** If you're progressing toward your first bachelor's degree, make sure your school-certified GPA is submitted to the California Student Aid Commission. California community colleges automatically submit their students' GPAs. If this isn't the case with your school, use the GPA Verification Form, which is available at [www.csac.ca.gov](http://www.csac.ca.gov) (click on "Cal Grant GPA Forms" under "Students & Parents").
