

University of California Campus Policies and Procedures for Reviewing Freshman Applicants¹

UC Campus	When and how will applicants be notified of their admission status for fall 2018?	When and how will applicants be notified of financial aid awards? ²	Does the campus provide applicants with an alternate admission option, such as deferred enrollment or UC Extension?	Does applying Undeclared improve or detract from an applicant's chances of admission?	Will the campus admit students to an alternate major?	Which of the campus's majors require an audition or submission of a portfolio?	Are specific SAT Subject Tests recommended for certain majors?
Berkeley	End of March, online. Admitted students also will receive a notification letter.	Concurrent with notification of admission, online.	Applicants to the colleges of Letters & Sciences and Natural Resources may be offered the option to enroll in Global Edge. Applicants to the College of Letters & Sciences may also be offered the Fall Program for Freshman through UC Extension.	For applicants to majors in the colleges of Letters and Sciences, Natural Resources, Chemistry and Environmental Design, major is not considered and students are not disadvantaged by applying Undeclared. For applicants to Engineering, major choice is considered in selection; Engineering Undeclared is highly selective.	Berkeley does not consider an alternate major.	None	Chemistry and Engineering: Math Level 2 and a science test related to intended major.
Davis	Mid -March online and by e-mail. Admitted students will also receive a notification letter and packet.	Mid to late March awards are available online concurrent with admission notification. Students will receive an e-mail when information is available for review.	No	No. Applying Undeclared or Undeclared/Exploratory offers an opportunity to explore before declaring a major. Special programs and advising services are available to assist students once they are enrolled.	Most admitted students are accepted to their first-choice major, but alternate majors may be considered.	Students who wish to major in Landscape Architecture must apply to the "Pre-Landscape Architecture" major. A separate portfolio application is required and may be submitted at any point, but typically not until before the sophomore year. See https://humanecology.ucdavis.edu/portfolio-application-process for more information.	No
Irvine	March 1–31, online. Admitted students will also receive a notification letter.	In April, provisional awards online. Students will receive e-mail when information is available for review.	No	Applying Undeclared has no bearing on admission decisions.	When an admitted student is not admitted into their first choice major, admission into an alternate or undeclared may be offered.	Performance majors (Dance and Music) require an audition. The Nursing Science major requires a supplemental application and applicants may be asked to a faculty interview.	Visit this website to see Subject Test recommendations by campus and college or program.

¹ A student is considered a freshman (first-year) applicant if the student is still in high school (secondary school) or has graduated from high school but has not enrolled in a regular session at any college or university. A student who attends a college summer session immediately after graduating from high school or who has completed college work while in high school is considered a freshman.

² Notification date is contingent on a student applying on time and answering all follow-up communications in a timely fashion.

Information accurate as of December 2017. Changes may occur without notice. Contact the admissions office at each campus for up-to-date information.

UC Campus	Will the campus guarantee admission to Eligibility in the Local Context (ELC) students for fall 2018?	Where can I find information describing how your campus evaluates applicants using comprehensive review?	Which of the campus's colleges, schools or majors are selective (i.e., require academic performance above minimum UC admission requirements)?	How does the campus use the personal insight question responses in evaluating applicants?	Does the campus conduct an augmented review process?	Where can students find information about the appeals process?
Berkeley	No. However, ELC status is taken into account in the application review process.	See http://admissions.berkeley.edu/selectstudents	All majors are competitive and require academic performance beyond UC minimums.	All personal insight question responses are reviewed. Reviewers use the responses to help put into perspective an applicant's academic accomplishments and personal and extracurricular achievement. This includes evidence of the 14 selection criteria, such as leadership, community service, special talents, and socioeconomic and other contextual information.	Yes, we will continue to request Letters of Recommendation from a select group of students. The Management, Entrepreneurship, & Technology program (MET), and The Global Management Program (GMP) require students to submit supplemental information.	See http://admissions.berkeley.edu
Davis	No. However, ELC status is taken into account in the application review process.
