Transfer Admission Planner - Counselor Access

Counselors, welcome to the UC Transfer Admissions Planner! This online tool is designed to help your students who are planning to transfer to a UC campus, including those students who are seeking a Transfer Admission Guarantee (TAG) with one of the seven participating UC campuses.

Access to this site will allow you to track and communicate with your students seeking UC transfer. The planner is designed to allow students to enter their coursework (completed and planned) from the very beginning of their college careers, or at any point when they decide to transfer to one of UC's campuses. The planner helps students track their progress toward meeting UC's minimum requirements, and allows UC staff to communicate important information to prospective transfer students. Students are still strongly encouraged to meet with their community college counselor, as the planner does not replace advising students receive at their college.

Students seeking a TAG with one of the seven campuses that offer a transfer guarantee (UC Davis, UC Irvine, UC Merced, UC Riverside, UC San Diego, UC Santa Barbara, and UC Santa Cruz) may apply using the planner. For counselors, access to the Transfer Admission Planner will provide needed communication and evaluation tools to work with TAG students and participating UC campuses.

All information collected in the planning tool is considered confidential and is only shared with students' community colleges, UC admissions officers, and UC Education Partnership Programs personnel.
