Fall 2026 admission highlights

INCREASING ACCESS FOR CA STUDENTS

- All-time high number of admitted CA first-years
- Admission rate increased to 78% this year, up from 77% last year
- Low-income students: 43% of admits
- First-generation students: 41% of admits

Admitted CA Resident First-Years

CONFERENCE

A person wearing a light blue jacket and pink pants is walking on a sidewalk. The sidewalk is composed of rectangular tiles, each of which has a different word or phrase embossed on it. The words are in various orientations and sizes, creating a complex, abstract pattern. A white rectangular box is overlaid on the left side of the image, containing the text "UC admissions policy review" in a dark blue, sans-serif font. The background is a bright, sunny day, with the person's shadow cast on the pavement.

UC admissions policy review

UC admissions requirements review

- BOARS will oversee the review of the use of standardized testing.
 - Report will be completed by February 2027.
 - Board of Regents will receive recommendations by June 2027.
- BOARS will review A-G course requirements.
 - Initial report will be completed by May 2027.
 - Board of Regents will consider at a later date TBD.

Current status

- **No change** to admissions requirements for students applying this November for admission to fall 2027.
- Admissions requirements for admission to fall 2028 and beyond is TBD.

Any changes approved by the UC Board of Regents will be publicized to students, families, counselors, and schools as soon as confirmed.

Area C (mathematics) validation rules

Changes to validation rules are taking effect beginning in fall 2026.

- Courses in the “Statistics” and “Additional Math” disciplines will no longer validate Algebra II/Math III.
- Validation of (single-subject) geometry grade deficiency by a higher-level course no longer allowed.

The applicable math validation rules are based on **when a student completes the higher-level course**, not their intended application or entry term to UC.

CSU LOTE and VPA changes for fall 2027 applicants

A-G Area	Old Requirement	New Requirement
E. Language Other than English (LOTE)	2 years required: Two years or through the second level of high school instruction in the same language	2 years required: Two years or through the second level of HS instruction in the same language or 2 one-year courses through the first level of HS instruction
F. Visual and Performing Arts	1 yearlong course or 2 semester courses from the same discipline	1 yearlong course or 2 semester courses

TOEFL score changes

- ETS changed the scoring scale for the iBT exam.
 - Old test: 0–120 scale, UC required 80 or higher
 - As of January 2026, the new scale is 1–6 with 0.5 increments.
- **4.5 is the new minimum score**, effective January 2026.
- Campuses have the flexibility to raise their minimum score above 4.5 based on their campus goals and needs.

UNIVERSITY OF CALIFORNIA

COUNSELOR

CONFERENCE

New Advanced Placement (AP) courses

- AP Business with Personal Finance (Area G)
- AP Research (Area B)
 - Note: There is also an existing Area G version of this course. Schools may offer it as an English (Area B) course if it is appropriate for their local context.
 - For out-of-state applicants or for applicants attending schools without approved A-G course lists, this course will be counted in Area B.
- No UC credit granted from these two AP exams.
 - Note: Score of 3 on AP Seminar or Research satisfies ELWR.

NEW RESOURCE! [A-G AND CAL-GETC INTERSECTIONS](#)

Outlines how Cal-GETC approved CCC courses can fulfill requirements.

What to know:

- *Intersections* is not inclusive of all UC-transferable courses.
- Cal-GETC certification is neither required nor expected of first-year applicants.
- This guidance supersedes information found in the 2013–14 CCC A-G course lists (which will no longer be available after August 2026).

College coursework instructions

FIRST-YEAR APPLICANTS WITH COLLEGE COURSES

- Additional instructions on how to report college/dual enrollment coursework
- Applicant reminder to report college coursework (failure to do so may lead to application cancellation)

Academic history

Colleges attended in high school

* required

In this section, you must enter ALL colleges where you earned college credit while in high school. This includes college level courses taken:

- At a college campus
- Online
- At your high school campus (including Dual Enrollment)

You must enter all colleges you've attended — regardless of the grades received, how long you attended, whether courses were completed, or whether the course appears on your high school transcript. Failure to report all coursework may jeopardize your UC admission or enrollment.

Non-credit programs that do not appear on an official college transcript should be reported in the Activities & awards section of the application under Other coursework category.

Non-UC fee waiver checkbox

- Applicants indicate external fee waivers (e.g., NACAC, College Board) within the application resulting in a more accurate application fee total.
- Students will follow the same instruction to submit the fee waiver to the UC Application Center via email (ucinfo@applyucsupport.net).
- Reminder: Fee waivers cannot be combined to cover application fees for more than four campuses.

UC application fee vouchers

- Schools and organizations may purchase fee vouchers for their students.
- For more information, email appcenterissues@ucop.edu before October 1.

A low-angle photograph of the Sather Gate at the University of California, Berkeley. The gate is a large, ornate archway made of green-patinaed metal. It features intricate carvings, including a central sunburst emblem at the top and the words "SATHER GATE" in large, raised letters across the middle. The gate is set against a clear blue sky with some light clouds. Trees are visible in the background and foreground.
