

Fact Sheet: Fall 2022 Transfer Waitlist and Appeal Information

Transfer Admission Appeal Information

All UC campuses will accept/review appeals when a student has not been offered admission. However, it's important for students to understand that each application is given a thorough/careful review. Therefore, if a student chooses to submit an appeal he/she must provide *new and compelling information* for further consideration. The admission appeal submission deadline is May 15 for all campuses except:

- UC Santa Barbara (June 15)
- Santa Cruz (14 days from the date the denial was posted on my.ucsc.edu)

Transfer Waitlist Information

All UC campuses except Merced are using a waitlist process for transfer applicants to manage their enrollments. Waitlist processes may differ by campus. No UC campus utilizing a transfer waitlist allows waitlisted students to appeal the waitlist decision. Specific campus information is outlined below.

Waitlist SIR Deadline

Campuses are allowed to establish their deadline to accommodate their unique campus needs. Campuses generally use between a three (3) and seven (7) day deadline.

Financial Aid Offer for Waitlist Admits

For most campuses, financial aid packaging will not be available at the time of waitlist invitation; however, if admitted, award packaging will be made available in accordance with campus policies and procedures providing that the applicant has submitted the FAFSA by the deadline.

Waitlist Admission Decision Release Timeline

Campuses generally plan to release admission decisions from the waitlist between June 1 and July 31. Campuses have the flexibility to release admission decisions prior to June 1 and may not release the waitlist until after July 31.
