

## Next steps from admission to enrollment: Transfer

For newly admitted transfer students, each University of California campus has important deadlines and procedures for students to accept the offer of admission and prepare for enrollment. Specific campus information is included in the two tables below.

- Admission decisions** — All campuses notify students of admission decisions on their admissions portal. The links for each campus' student portal are in the table below. For admitted students, all campuses also notify via U.S. Mail.
- Financial aid offer** — All campuses notify students of their preliminary or official financial aid award in the student portal. The timing of the offers relative to the admission decision varies by campus.
- Accepting an admission offer** — Applicants must submit the Statement of Intent to Register (SIR) by **June 1 at 11:59 p.m. (PT)**.
- SIR deposit deferral** — Students that qualified for the UC application fee waiver may also qualify to defer their SIR deposit until financial aid is disbursed.
- Housing** — Students interested in living in campus housing are encouraged to apply. Housing application deadlines are listed below, but campus housing websites will have the most current information. Meeting the deadline may be required to qualify for any campus housing guarantees.
- Submitting final official transcripts, exam results & documents**
  - Final official transcripts are due by **July 1**.
  - AP scores, IB scores, and other documents (such as IGETC certification) are due by **July 15**.
