Next steps from admission to enrollment for first-years

For newly admitted first-year students, each UC campus has important deadlines and procedures for students to accept the offer of admission and prepare for enrollment.

1. **Admission decisions:** All campuses notify students of admission decisions within their application portal.
2. **Financial aid offer:** All campuses notify students of their preliminary financial aid award in the student portal. The timing of the offers relative to the admission decision varies by campus.
3. **Accepting an admission offer:** Applicants must submit the Statement of Intent to Register (SIR) by **May 1 at 11:59 p.m. (PT).**
4. **SIR deposit deferral:** Students that qualified for the UC application fee waiver may also qualify to defer their SIR deposit until financial aid is disbursed.
5. **Housing:** Students interested in living on campus are encouraged to apply for housing. Current housing application deadlines are listed below, but campus housing websites will have the most current information. Meeting the deadline may be required to qualify for any on-campus housing guarantees.
6. **Submitting final official transcripts, exam results & documents:**
   a. Final official transcripts are due by **July 1.**
      i. High school: Must include last term grades and date of graduation.
      ii. College/University: Must include all college courses completed during high school.
   b. Official AP scores, IB scores and other documents are due by **July 15.**
