About you — Statement of Legal Residence

Statement of Legal Residence (SLR)

- In this section, applicants can choose whether or not they would like to be evaluated for California residency for tuition purposes.
- Both options will prompt additional questions.

About you

Statement of Legal Residence

* required

To determine your University of California (UC) tuition, applicants must indicate if they would like to be evaluated for a Residence Classification via the Statement of Legal Residence (SLR). You must meet UC requirements to qualify for in-state tuition, regardless of your classification in another system. Parents is defined as natural or adoptive parents, not stepparent. Your answer below has no bearing on your admissions decision.

The following three requirements must be established more than 365 days immediately prior to the residence determination date:

- 1) Physical Presence - You and your parents must be physically present in California. If you moved to California primarily to attend the University of California or another school, you are ineligible for a Resident classification for tuition purposes.
- 2) Intent to remain in California - You and your parents must have established your intent to make California your permanent home and must have relinquished ties to any prior place of residence outside of California.
- 3) Immigration status - You and your parents must be citizens or permanent residents of the United States or be present under a valid I-94 for an eligible visa, and have held that immigration status.

Applicants who do not satisfy all three parts may qualify for a Special Circumstance, Exemption, or Waiver provision (such as an [AB 540](#) ☐ nonresident supplemental tuition exemption) and will be asked to submit additional supplemental information at a future date. For further explanation, read the full [UC Residence Policy and Guidelines](#) ☐.

Note: Undocumented students should use [these instructions](#) ☐ for completing the SLR.

2. You worked outside of California during the last 3 years
3. You left California for more than 6 weeks in the last year

Test scores

Reporting test scores

UC does not consider SAT or ACT test scores when making admissions decisions or awarding scholarships.

Test scores may only be used as an alternate method of fulfilling certain minimum eligibility requirements or for course placement after matriculation at UC.

SAT and/or ACT scores for this purpose can only be self-reported in the UC application **after** submission.

English language proficiency

English language proficiency

- Only students who have fewer than three years of high school in the U.S. and whose primary language of instruction outside the U.S. was **not** in English are required to demonstrate English proficiency.
- Official testing scores are not required until a student is offered admission to UC.

Test scores

English language proficiency tests

Students from a country where the language of instruction is not English are required to submit a score from one of the following tests: the Test of English as a Foreign Language (TOEFL), the International English Language Testing System (IELTS) examination (academic modules) or the Duolingo English Test (DET). TOEFL, IELTS or DET exam scores are preferred, but the score from ACT English Language Arts or SAT Writing and Language can also be used to demonstrate English language proficiency.

Do you have any TOEFL, IELTS, DET, ACT or SAT tests (planned or completed) to report? *

Tips for this section

Activities & awards tips

- Avoid unfamiliar acronyms.
- Don't repeat entries across multiple categories.
- Don't overlook other ways you may have spent your time, including caring for siblings or other family members or other obligations at home.
- You don't need to list something in every category, nor do you need to add the maximum of 20 activities. The **quality** of your involvements is more valuable than the quantity.
- Keep in mind, UC does not value any activity over another.

EOP serves students from all ethnic backgrounds, and is open only to California residents and to American Indians who are members of federally recognized tribes from any state.

☐ [UC Foster Youth Programs](#)

These programs are for students who are current and former foster youth in the United States and/or part of the child welfare system. UC is committed to helping students to successfully transition to the university and offers a variety of support through the Guardian Scholars, Renaissance Scholars, Hope Scholar, FYRE Scholars and other similar programs.
