## Fall 2022 Next Steps from Admission to Enrollment – Transfers

For newly admitted transfer students, each University of California campus has important deadlines and procedures for students to follow in order to accept the offer of admission and prepare for enrollment. Specific campus information is included in the two tables below.

1. **Admission Decisions** – All campuses notify students of admission decisions on their admissions portal. The links for each campus' student portal are in the table below.
2. **Financial Aid Offer** – All campuses notify students of their official or preliminary financial aid award in the student portal. The timing of the offers relative to the admission decision (e.g., with the admission decision or after) varies by campus.
3. **To Accept an Admission Offer**–Submission of the Statement of Intent to Register (SIR) by **June 1<sup>st</sup> at 11:59 pm (PST)**.
4. **SIR Deposit Deferral** – All campuses automatically grant an SIR deposit deferral for students who qualified for an application fee waiver.
5. **Housing** – Plans for fall housing will be announced by campuses in compliance with local/state health and safety guidelines. Students interested in living on campus are encouraged to apply for housing. The application date is listed on this table, but campus housing will have the most current information.
6. **Failure to Meet Conditions** – Students who fail to meet the conditions of admission must notify the campus and are subject to an individual case-by-case review
7. **To Submit Final, Official Transcripts, Documents, & Test Scores** – **Final transcripts** are due by **July 1**; **Test Scores/other documents** are due by **July 15**
